VOLUNTEERS

- Tutoring Plus of Cambridge welcomes tutors and mentors from the Greater Boston area to provide academic support to Cambridge students in grades four through twelve.
- Volunteers spend one evening per week working one-on-one or in small groups with students who need extra help in various courses.
- Volunteers serve as role models for students and encourage academic success, and healthy self-esteem.
- Opportunities are available Monday through Thursday from 6:00-7:00 pm throughout the school year. Tutors are needed for all programs.

To learn more about the programs, and to fill out a volunteer application online, please visit www.tutoringplus.org or email info@tutoringplus.org

PROGRAMS

Middle School Tutoring Center

The centers are operated in collaboration with Cambridge Public Schools to provide targeted tutoring to students in grades four through eight.

High School One-on-One Tutoring Program

Working in collaboration with Cambridge Housing Authority's WorkForce Program, volunteers provide high school students with intensive one-on-one tutoring.

Enrichment Programs

Tutoring Plus offers several additional enrichment programs that focus on specific subjects, such as math, science and reading. These programs work in collaboration with other Cambridge area institutions. Please visit our website for more information about these programs.

PARENTS

- We encourage parents to take the initiative to enroll their children if they would like to see their child receive additional academic support.
- All of our programs are staffed by volunteers and are offered free of charge to any and all interested students.
- Trained tutors provide academic support in one of our centralized tutoring centers and work with students on homework while also developing academic and personal skills.
- For more information about Tutoring Plus and about how to enroll your child, please visit our website at www.tutoringplus.org
